2)Application against the Notification by the Employee

When an employee logs in to HRMS, the list of notifications which has been published by his lien railway will be displayed in the home screen and notifications section .

The employee will click on notification to apply.

Once done, a screen opens up which shows the current working details of the employee and his lien details. It is important for the employee to check whether these details are correct or not. The employee should not proceed ahead if he sees that the lien details are wrong. In such cases, the employee should get the details corrected by contacting his dealing clerk and then only apply.

The screen also shows the list of notifications which has been published by his lien railway. The employee can apply against any notification by clicking on the 'Apply' button. **He should check the eligibility condition as per notification before applying. Mere display of all notices does not entitle any one to claim eligibility.**

Once the employee clicks on 'Apply' button, the page for application opens up.

"If the employee belongs to a reserved community, then the caste certificate of the same should be available in Employee details. If the certificate is not available, the system prompts him to upload. This can be done by raising a ESS request by employee himself."

The employee can upload the same from Self service tab on the left menu and get it approved.

The system also doesn't allow the application to be submitted if the photo and signature are not available in the system. In such cases, the employee has to go to employee self-service option and get the Photo and signature uploaded in the system.

If the employee's details are correct, then he can click on 'Apply' button which will take him to the application page.
