### DIVISIONAL OPERATING SAFETY DRIVE 03/ 2025.

Sub: Setting of wrong route and signaling by SMs -Reg.

\*\*\*\*\*

With reference to the subject mentioned, during recent times it was noticed that Station Masters are failed to set the route for a proper direction/ Nominated line and signaling wrongly for train movement.

Brief of the incident:

1. At CHZ, Tr. No.12758 in Up direction taken off Home signal No. S-99 for Up main line (Non Platform line) at about (Time:19:49 hrs) for the reception, which is having scheduled halt at CHZ.
2. At ZN, Tr. No. 12714 in Dn direction taken off Home signal No.S-30 for Dn main line at about (17:27hrs) for the reception, which is having scheduled halt at ZN.
3. At MLY'C' cabin, Tr. No. 12775 in UP direction taken off Home signal No. S-C 40 for UP Bye pass line at about (06:15 hrs), which is scheduled to go via Main line towards SC.

In this context once again it is reiterated that, whenever Line clear is granted/Obtained on duty SM should clearly mention the following details.

- a. Train No.(Chg with Five digit number)
- b. Name of the Train
- c. Type of the Train (Goods/Pass/Exp./ Any other)
- d. Direction of the Train

The above details to be clearly repeated by both the SMs while granting/obtaining Line clear and the same to be recorded in the TSR.

In addition to the above day to day circulars issued by headquarters and Divisional office should be followed scrupulously and the list of trains dealt at that station direction wise to be readily available with on duty SM.

In case of any doubt to be clarified with SCOR/Dy.Punctuality well in advance.

Respective Supervisors/Station in-charge to ensure strict compliance at all Stations and Cabins.

All TIs are instructed to conduct a **15-day Drive** on the above subject from **12.12.2025 to 26.12.2025**. During this period, TIs to test the **knowledge of all Station Masters regarding safe working of trains** and submit a **daily report**.

After completion of the Drive, a **comprehensive report**, along with **acknowledgements from all Station Masters (hard copy)**, shall be submitted to this office in the following format.
