No. C/T/187/GC/25/6.

Date: 14.10.2025

All TIs/SMRs/SMs

OPERATING GENERAL CIRCULAR No. 06/25.

Sub: Issuing of written memo for the work to be done inside the Siding-reg.

Whenever there is pilot movement for siding, at serving Station SMs are issuing authority for the Pilot to proceed to the siding, Caution order and instructions to work inside the siding.

It is observed that at some Stations, the memo issued for the work to be done inside the siding is mentioned on Form No.T-806.

As per SCR G&SR-2020, Appendix XVII, for Single Pilot system and for Multiple pilot system," The Station Master shall advise the Pilot in-charge and the Loco Pilot about the work to be done in the Siding through a written memo. The Station Master shall hand over the load slip with all wagon particulars and last vehicle number, and caution order stipulating the restrictions if any, to be observed both ways on the Siding line".

In this context it is instructed to issue Siding memo/Load slip (enclosed as Annexure) with machine serial number in triplicate along with Authority and Caution order. (T-806 should not be issued for work to be done inside the siding and as load slip).

These instructions shall come in force with immediate effect.

All TIs/SMRs/SMs shall ensure and for strict compliance.
